Information for Accredited Press Photographers at the Competition Site – CTIF Competition Eisenstadt 2026

For reasons of safety, fairness, and to ensure the competition proceeds without disruption, the following rules apply to all photographers and media representatives at the competition site:

- For each participating fire department, a **maximum of one accredited media representative** from the competition team may be present at the competition site during that team's performance.
- You may remain only within the area of the judges' tent:
 - ▶ no more than **10 meters in front of and 10 meters behind the judges' tent** and only **within the width of the judges' tent**
- Entry into other areas of the race course is prohibited
- Members of the press may enter and exit the competition venue only during the march-in of the respective group participating in the competition.
- Any communication with the competing group during the competition is prohibited.
- All accredited members of the press must visibly wear the **blue press vest** issued to them immediately before entering the competition area.
- The press vest must be returned to the press center immediately after the respective group has taken the stage.

These regulations apply to the representatives of the competition groups. Media representatives from official media organizations will receive separate instruction or be accompanied

The instructions of the organizational and security staff must be followed at all times. In the event of violations, accreditation may be revoked; in the case of serious violations, the competition group may be disqualified.

Thank you very much for your understanding and support in ensuring a fair and professional competition.
